The department will reserve rooms at a Birmingham-area hotel for those needing to stay a night prior to and/or after the event. We will make reservations for two students/room unless you request otherwise. Faculty representatives will be given a private room. We will send you information about the hotel, driving directions, parking, and dining possibilities before your visit. Funds are also available for reimbursement for travel, but please check with Dr. Mary Ellen Zvanut if your costs will be in excess of \$600 (group) or \$350 (individual). Please be advised that you MUST keep all receipts if you want to be reimbursed.
